

Cedarworks, Inc. is excited to once again present [The Lions Den 2023](#) with Highlands College as our host in Birmingham, AL, October 11-13, 2023. This “Shark Tank” style event features 4-6 business-as-mission companies competing before a live audience and panel of judges, seeking capital, resources, and exposure.

Since 2014, we have annually had hundreds of people in attendance from 34 states and 28 countries. For 2023, we plan to hold an in-person event similar to the past with the Main Event (October 12), Professional Summit (October 11-12), Keynote Luncheon (October 12), the joint Classified and Accredited Investor Meeting (October 13), and Networking Opportunities throughout (including the suppers).

We are currently welcoming **Sponsors** for the 2023 event, and would like you to consider becoming one or partnering with us in identifying new ones. There are many opportunities across the 3 days for your organization to be exposed to hundreds of professionals and investors. You can see the different sponsorship levels and benefits on the matrix accompanying this invitation. Please email us at sponsors@thelionsden.us to let us know your interest and any questions.

Our mission is to “educate, inspire and mobilize”. We look forward to seeing you at The Lions Den 2023 where you will see ***“Real Businesses competing for Real Investors to make a Real Impact.”***

Please mail checks to: Cedarworks, Inc., 1029 22nd Street South, Birmingham, AL 35205
